

Encounter the island chain that has enchanted explorers since Darwin first weighed anchor off its shores. Spend four days exploring the incredible wildlife of the Galapagos archipelago in the company of an expert Naturalist Guide. In the evenings, return to the comfortable g4 to reflect on the day's adventure under a canopy of stars. Retire to air-conditioned cabins with exclusive lower berths and private bathrooms.

The g4 is a comfortable air-conditioned 72-foot motor yacht built to accommodate 16 passengers with 8 double occupancy cabins. Both upper deck cabins with windows and lower deck cabins with portholes are available, all with air conditioning and a private bathroom. Our clean and comfy vessel is of a Comfort Class standard, staffed with an exceptional crew, including a certified naturalist guide. The 2-level wrap-around deck is ideal for ocean views and relaxing in the sun, and there is both a bar and a dining room.
